

Live in Concert
at Mullally's Clubhouse Cafe

1038 Hickory Valley Road Stroudsburg, PA

SATURDAY, DEC 27
3 PM

Nate Taylor is a 2007 graduate of Stroudsburg High School. While working a two year stint in corporate New York City, he realized his true dream was to travel and play music. Life on the road has given Nate a deep repertoire of original music covering the central themes of life and love from the perspective of a young man coming of age in modern America. His guitar playing has been compared to the stylings of Nick Drake while his voice is more evocative of classical singers like Josh Groban and Andrea Bocelli. He returns home to celebrate the release of his debut EP, *In Dreams*. Listen to his music at www.ntaylormusic.com.
